No 20 of 2008

24 October 2008

NOTICE TO MARINERS FIRTH OF FORTH

SMOKING IN PUBLIC PLACES

For the Notice of Ships Masters for vessels calling to the River Forth.

In line with most European countries, Scotland has legislation in place prohibiting smoking in public buildings and places of work.

Although this legislation does not apply to commercial ships we would ask your co-operation in providing a smoke free environment in the wheelhouse of your vessel when a Forth Pilot is onboard conducting an act of Pilotage.

Status of Previously Published Notices:
