

**Port of Tilbury (London) Ltd.
Notice to Mariners – No. 5 of 2018
Tilbury Lock - Procedures**

Following a recent operational meeting Mariners are now advised:-

- 1 That when arriving at Tilbury lock inbound or outbound, that they should keep to the allocated booking time slot.

If a vessel wants to arrive earlier than booked, then the Duty Harbour Master must give his permission.

Contacted on 01375 852 456 or VHF CH 4.

- 2 Vessels entering the lock will have their mooring lines ready on the allocated side of berthing (Port or Starboard). Lines will not be accepted from the offside as this causes operational issues.

- 3 Weighted heaving lines i.e. Monkeys Fist, are not accepted in the port.

Vessels that use these will be reported to the MCA and also have the weight removed.

Mooring contractors should also report this to the Lock Office.
