

Forth Ports Limited **Marine Emergency Contact** **Directory**

| | | | |
|---|--|------------------------------|--------------------------------------|
| FORTH PORTS LIMITED | Document ID FPMDL/FTNS/(F)/09/08 | Authorised By HMF1 | Original Date October 2011 |
| Marine Emergency Contact Directory | Date Revised July 2020 | Revised By VTS | Review Due January 2021 |

Aim

The aim of the Emergency Contacts Directory is to provide a single directory that can be used in connection with any emergency at any port. The directory should provide the user with a list of all persons who might need to be contacted during an emergency incident along with their up to date contact details. When used in conjunction with the various emergency plans this directory should allow the user to contact any person, company or emergency service. The directory will be regularly reviewed and any relevant contact information added or changed.

** The directory is in alphabetical order.*

Scope

The emergency contacts directory will not replace the local port contact lists, which have contact lists of tenant companies and key Forth Ports personnel at each individual port.

Forth and Tay Navigation Service maintain a list of the home numbers of all Forth Ports Limited staff who are nominated to respond to emergency situations including Clearwater Forth, Grangemouth OPRC, Leith OPRC, Dundee OPRC, Emergency Forth and Emergency Tay.
