NOTICE TO MARINERS

FIRTH OF TAY

New version of Marine Guidelines and Port Information

Mariners are advised that a new version of the Port of Dundee Marine Guidelines and Port Information document has been released.

The key changes to the document are:
- An updated version of the tug fleet list.
- The removal of the Large Tanker Parameters.
- An updated set of Ruling Depths for all active Port of Dundee Berths.
- Several Smaller amendments reflecting operational and physical changes in the Port of Dundee

All port users are advised to familiarise themselves with the new version of the document which is available in the Marine Information section at: https://www.forthports.co.uk/marine/ftns/

Further information can be obtained by contacting Forth and Tay Navigation Service or the Port of Dundee Marine Department.

This notice will be self-cancelling on 1st July 2019 as sufficient promulgated.
