No. 17 of 2019

23rd June 2019

NOTICE TO MARINERS

FIRTH OF TAY

FPSO 'Curlew' Position

Mariners are advised that the Floating Production Storage and Offloading Vessel (FPSO) 'Curlew' is now secured alongside Prince Charles Wharf, in position 56° 27.5'N 002° 55.2' W.

Mariners are advised to navigate with due diligence and caution when passing the vicinity of the FPSO and to observe a 200m exclusion zone around the Curlew.

This notice will be self-cancelling on departure of the FPSO Curlew from the Port of Dundee.

Ryan Porteous
Harbour Master
