No 19 of 2019

07th June 2019

**NOTICE TO MARINERS
FIRTH OF FORTH**

Temporary Scaffolding – Forth Road Bridge

Ref Chart 736 & 728

Mariners are advised that temporary scaffolding is being erected under the Forth Road Bridge in a position approximately 54m South of the North East green light (See enclosed chartlet for approximate location). The scaffolding is expected to be in place for approximately 4 weeks.

The bridge clearance in this area will be reduced to 47.2 meters from chart datum.

Measures will be in place to prevent dropped objects however mariners are directed to proceed with caution when navigating in this area and avoid passing directly underneath this operation.

Status of previously published notices:

No 10, 41 and 45 of 2018

No 10 and 13 of 2019 remain in force
