

**Ports of Tilbury and Tilbury2
Notice to Mariners – No. 19 of 2019
Tilbury Lock Entrance – Lower Arm & Upper arm
CONCRETE & FENDER REPAIRS**

Repair works to the concrete surface on the spring fender on the lower arm are expected to commence on Monday the 19th of August. The repairs to the concrete will be done from the quayside and should not compromise shipping but Mariners are advised to navigate with caution.

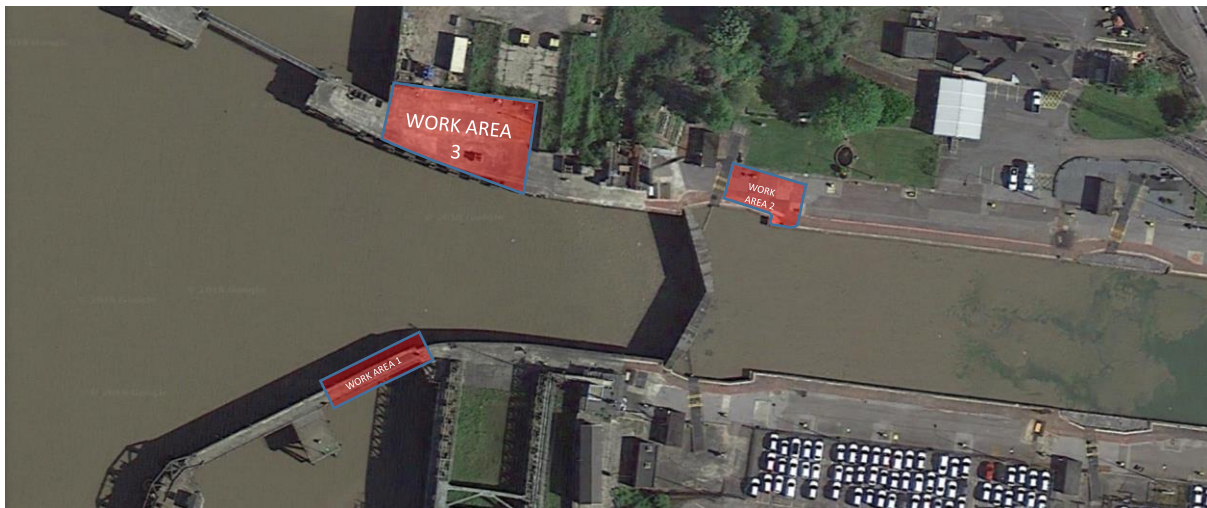

Once repairs are completed on the lower arm, work will continue on the upper side of the lock with concrete repairs on the recess area for lock gate no. 1 and finally replacement of timbers on fenders no. 7 and 8 on the upper arm.

Repairs on the upper side will involve the use of a crane placed on the quay (landward).

A safety boat will be in attendance.

Duration of this work is estimated to last for up to 3 weeks.

Further information will be available by contacting Duty Officer at Tilbury lock office, telephone 01375 852456 and VHF channel 04.
