NOTICE TO MARINERS FIRTH OF FORTH

Hound Point Diving Operations

From the 16th of September 2019 for a period of up to 20 days mariners are advised that diving operations will be undertaken at Hound Point Marine Terminal. This is a routine periodically performed sub-surface structural inspection and will involve all main island and mooring dolphin structures. Diving will be conducted through slack water periods 24/7.

All vessels should give the terminal a wide berth and have due regard to the effect of their wake.

Performing vessel will be the DSV Noorhoek Pathfinder with diving daughter craft Edradour as the dive platform. Both vessels and the terminal will keep VHF watch on Ch.71/09 at all times.

For further information please contact FTNS (VHF Ch.71) or Hound Point Terminal (VHF Ch.09)
