

FORTH PORTS LIMITED

NtM No 47 of 2019

23rd December 2019

NOTICE TO MARINERS FIRTH OF FORTH

Newhaven Pontoon

Ref Chart 735

Mariners are advised that the Newhaven Pontoon has been removed for maintenance.

Each pile is lit with white lights with the following characteristic: 'Fl.W'. Retroreflective tape has also been fitted to each pile.

All mariners are advised to proceed with caution when navigating within the confines of Newhaven Harbour while the pontoon is removed.

The pontoon is expected to out the water until mid-March 2020. An NtM for the deployment will be sent out a week prior to the operation taking place.

Status of previously published notices:

No 41, 45 of 2018

No 10, 24, 40, 42, 45, and 46 of 2019 remain in force
