

FORTH PORTS LIMITED

NtM No 27 of 2020

21st July 2020

NOTICE TO MARINERS FIRTH OF FORTH

Demolition works at Longannet Power station

Mariners are advised that on or around **23rd July 20** (weather dependent), a planned minor, non-emergency demolition event will take place at Longannet Power Station. This Planned demolition has been carefully planned and resourced within a controlled safe environment by the Demolition Contractor (Brown and Mason), under the Supervision of the Demolition Site Manager.

Small quantities of explosives may be used to aid the demolition of the structure and could result in a higher than 'normal' noise levels or rising dust that may attract your attention. This will only last a short duration, please do **not** be alarmed at this time.

The demolition activity may pass with minimal visual or noise impact, but due to your close proximity to Longannet Power Station or the potential to be travelling in the surrounding area, ScottishPower Generation Assets Ltd would like to make you aware of the planned activity.

There is NO marine exclusion zone in force for this event, as the exclusion zone put in place by the demolition company falls within the landside footprint of the Power Station.

Status of previously published notices:

Nos 10, 24, 45 and 46 of 2019 remain in force
Nos 04, 07, 20, 21, 23, 25 and 26 of 2020 remain in force.
