No. 31 of 2020

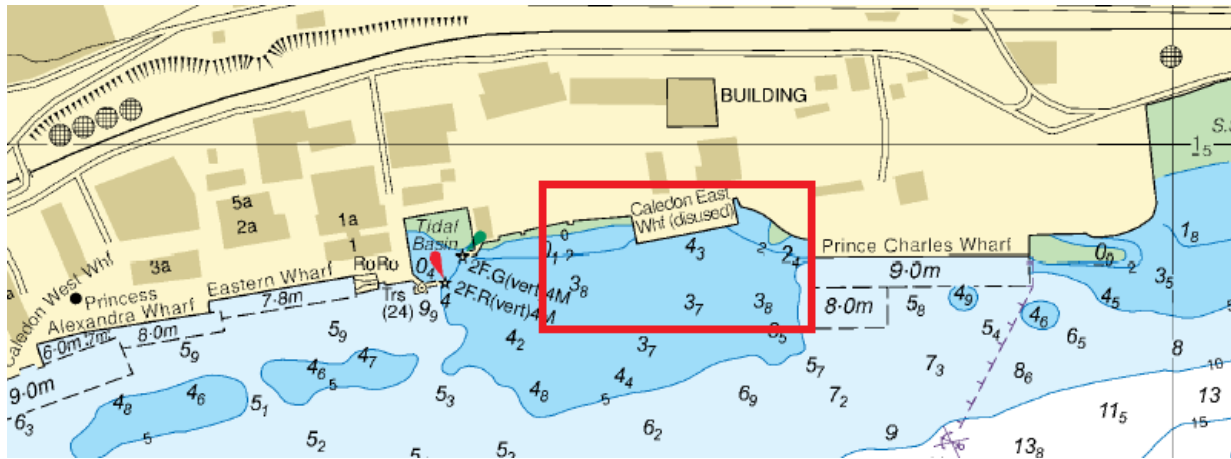

13th October 2020

NOTICE TO MARINERS

FIRTH OF TAY

Prince Charles Wharf Marine Works – Phase 1

Mariners are advised that significant demolition/construction works are currently underway in the vicinity of Prince Charles Wharf. The red box on the chartlet below shows the current area of the works.

Current marine works include the demolition of Caledon East Wharf and the removal of the rock armour at the East end of Caledon East Wharf. A floating boom has been deployed around the Caledon East Quayside, it is marked at intervals with orange buoys.

Mariners are requested to give a wide berth to the location marked on the chartlet and in any case not pass within 100 meters of the area. Vessels berthing on Prince Charles Wharf will continue to berth as normal with extra caution taken when in the vicinity of the works area.

Further information can be obtained from the Port Office, Port of Dundee.
