forthports.co.uk

Forth Ports is Customs Freight Simplified Procedure (CFSP) authorised and can undertake delayed declarations on your behalf during the phased customs control period (1st January – 30th June 2021) and beyond:

- Options include clearance to free circulation upon cargo arrival
- Ability to enter into customs warehouse to defer payment of import duty (customs authorisation required)
- Pre-lodgement of full and simplified customs entries to keep the flow
- Benefit of port having direct access to all customs clearance documentation for the release of goods
- All ports have temporary storage and customs controls in place

Forth Ports is a trusted business partner with AEO accreditation and has experience in handling non EU goods.
