FIRTH OF FORTH**

Marine Website Update

All stakeholders are advised that following a merging of safety management systems, the Marine section on Forth Ports’ website has been updated, and has a new look.

There are no longer separate pages for Scotland and Port of Tilbury, combined pages can now be seen, mirroring our joint approach.

In addition to this, live weather and tide data can now be found under the “Weather & Tides” tab. There are individual pages for Tilbury & Tilbury 2, Grangemouth, Leith, Rosyth, Dundee, Buddon Ness, and Methil. An example can be seen below:

The graph is not currently available on mobile devices but is under development and updates will be communicated to all parties.

Status of previously published notices:

- Nos 10, 24 and 45 of 2019 remain in force
- Nos 04, 07, 21, 23, 35, 51 and 64 of 2020 remain in force
- Nos 06, 07, 13 and 14 of 2021 remains in force
