**No. 10 of 2021**

**03<sup>rd</sup> May 2021**

**NOTICE TO MARINERS**

**FIRTH OF TAY**

**Tayport High Light Leading Line**

**Chart 1481**

Mariners are advised that the Tayport High Light sector light has been temporarily reconfigured while maintenance is carried out and has been recalibrated to the following:

The characteristics for the Tayport High Light are:

**Character:** Dir Iso WRG 3s (fl 1.5s, ec 1.5s)  
**Sectors:** G 267°-268° (1°), W 268°-270° (2°), R 270°-271° (1°)

Channel Centreline 269/089°

This notice will remain valid until the maintenance is completed and a new Notice to Mariners is issued.
