24th May 2021

NOTICE TO MARINERS

FIRTH OF TAY

Maersk Gallant Large Vessel Movement Firth of Tay

Mariners are advised that the jack-up drilling rig 'Maersk Gallant' is due to move within the Port of Dundee, from Caledon Slips to a temporary position approximately 100m to the South East on Tuesday 25th May 2021 at 1300 BST. Following this movement the rig will transit from its temporary location to sea starting at approximately 1245 on Wednesday 26th May 2021; the transit will take several hours. The rig will be assisted by 4 harbour tugs and a lead AHTS while transiting the river.

The navigation channels will be closed for this planned movement to allow the safe navigation of the rig and her towing vessels. All other vessels are required to keep well clear (minimum 200 metres) and must not impede or endanger the planned passage as per General Direction No 14.

The rig move is weather dependant, and Dundee Harbour Radio can be contacted on VHF channel 12 for any updates.

This notice will be self-cancelling on completion of this movement.
