

FORTH PORTS LIMITED

NtM No 46 of 2021

10th August 2021

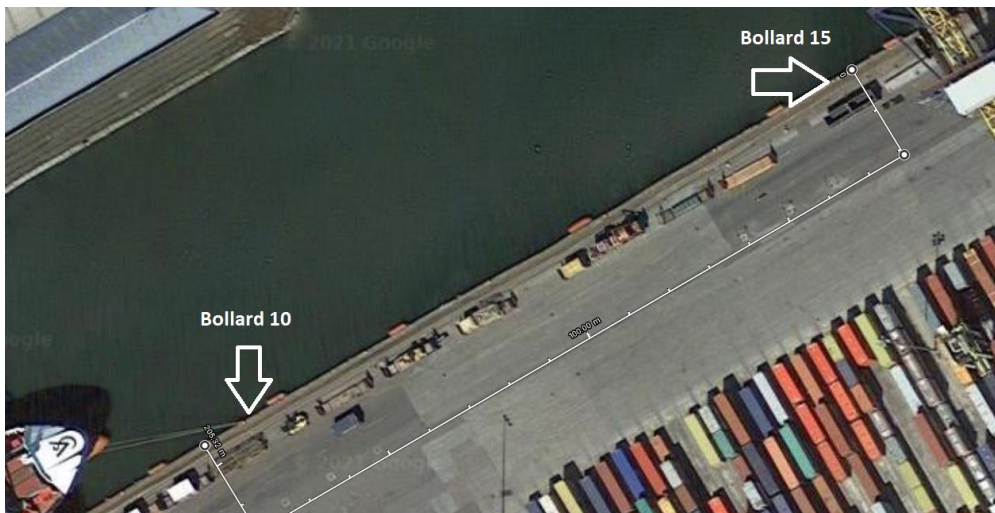

NOTICE TO MARINERS FIRTH OF FORTH

Grangemouth Centre Container Berth – Crane Rail Works

Mariners are advised that week commencing 06th September the Centre Container Berth at Grangemouth will not be available for use for a period of 4 weeks.

These works are to facilitate the replacement of crane rails for the berths gantry cranes.

A temporary fenced area will be erected around the work site (as illustrated below) which will encompass Bollards 10 and 15 however access will be permitted for licensed boatmen to carry out mooring operations.

This Notice will be self-cancelling following completion of crane rail work operations.
