

## Ports of Tilbury and Tilbury2 Notice to Mariners – No.11 of 2021

### TILBURY LOCK BERTHING INSTRUCTIONS

On or about 1<sup>st</sup> November for approximately 4 weeks, works connected with the replacement lock gate project will extend onto the lock side working area. This will make bollard U1 and U2 unavailable, as depicted in the image below.

During this time vessels over 200m LOA will need to berth on the lower side of the lock only. Where multiple vessels in the same lock mean a full lock is used, vessels may be asked to berth on the lower side.

Further information is available from Tilbury Control on VHF04 or +44 (0) 1375 852456
