NtM No 76 of 2021

12th November 2021

NOTICE TO MARINERS FIRTH OF FORTH

Forth Road Bridge – Pier Defence Maintenance Works

Commencing **Monday 15th of November** for a period of **4 weeks** maintenance works will take place on the Forth Road Bridge North and South Piers.

These works will see a number of vessel/barge movements to and from the piers which will be co-ordinated and planned via FTNS.

All mariners are ask to ensure they remain clear of the North and South piers of the Forth Road Bridge and exercise and requested to navigate with caution mindful of their wash when passing the work area.

If further details are required these may be sought from Bear Scotland's central control room – 0131 3193083.

Status of previously published notices:
