

Marine Safety Alert

Alert No: 007

Date: 14/02/2014

Marine Health & Safety Awareness

Forth Ports Limited endeavors to promote safety for all working and accessing areas close to the water's edge.

Always consider the Health & Safety of all persons in or around your working area whether they are members of the public or employees.

In doing so we ask that all Harbour Users ensure matter such as the following are adhered to;

- Quayside and working areas are free from obstructions.
- Always wear life jacket when working on or around water
- Ensure when transiting working areas appropriate PPE is worn – such as hard hats, high visibility clothing, safety footwear etc.
- All other local Health & Safety procedures are adhered to as required.
