

Ports of Tilbury and Tilbury2 Notice to Mariners – No. 06 of 2022

Port Waste Reception Facilities

In order to reduce the environmental impact of the ship generated waste collected and disposed of by the Port of Tilbury, the process has been updated. This applies to all Port of Tilbury vessels except Cruise vessels and vessels calling at LCT riverside.

- All requests for waste should be made in advance by email to marine.department@potll.com and include the CERS3 workbook
- Vessels must segregate Cat 1 (food) waste from other recyclable ship generated waste, as this will be collected separately
- Waste collections will continue to be arranged with the vessel directly

For further information please contact the Lock Office on VHF 04, call sign TILBURY CONTROL, or, +44 (0) 1375 852456.
