

# RE:PORT NETWORK EVENTS

by Forth Ports

**at the Skills and Business Centre  
in The Port of Grangemouth**

*Forth Ports want to bring businesses together through a networking event that is informal and well attended. Working with our local sole traders and SME community we want to create an established base for regular networking events.*

**TUESDAY 17<sup>TH</sup> MAY**

**We are going to run the event between  
8.30am - 11.00am to be as flexible as possible**

The focus of the first event will include a couple of stands where you can network with:

- Falkirk Foundation
- Forth Ports Procurement
- Business Gateway
- Scottish Enterprise

The idea is to keep the event informal where you can drop in, we know holding meetings first thing in the morning can clash with school runs and work commitments.

There will be a short welcome and introduction at 9.15am but you will be welcome anytime for a bacon roll or pastry, coffee and conversation!

**EVERYONE IS WELCOME  
AND IT WILL BE A FREE EVENT**

**Anyone who attends will be able to claim a  
15% DISCOUNT on any of the training courses  
we run at the centre:**

- Supervisory & Management Development
- PPA Assessments – Team Building sessions
- RTITB Forklift Truck
- Confined Space
- H&S e-learning
- First Aid

**Forth Ports staff will be on hand to talk to you and  
make introductions and help where they can.**

We appreciate this will be the first event and need your help to really build local networking into something positive for our local businesses. We would be happy to receive any requests or recommendations for further events.
