**Dalgety Bay Remediation Works**

Mariners are advised that commencing on or around the **13<sup>th</sup> April** for a period of 4 weeks the **'Forth Guardsman'** will be transporting construction materials from Inverkeithing to Dalgety Bay as part of the ongoing remediation works of the foreshore.

The remediation works involve excavating areas of the foreshore, replacing rock armour around the headland and installing a new slipway for the Dalgety Bay Sailing Club.

The marine operations will be restricted to daylight only and will take place between Monday and Friday for the duration of the works.

During this operation the vessel will display shapes as required by International and local regulations, will advise Forth and Tay Navigation of all movements and will maintain a listening watch on VHF Channel 71 and 16.
