NOTICE TO MARINERS

FIRTH OF TAY

River Tay Buoy Maintenance Campaign 2022

Mariners are advised that the annual navigation buoy maintenance campaign for the River Tay will commence on 1 August 2020. The maintenance works will be undertaken by Briggs Marine utilising the vessel 'Forth Constructor'. The vessel will display the appropriate lights and shapes for a vessel restricted in its ability to manoeuvre while working and will maintain a listening watch on VHF Channel 12 at all times.

The duration of the maintenance campaign is expected to be 14 days.

All vessels passing the 'Forth Constructor' while they are conducting buoy maintenance should do so with due diligence and caution, maintaining a wide berth, slow speed and minimum wash.

Further information can be obtained by contacting Dundee Harbour Radio or the 'Forth Constructor' directly.

This notice will be self-cancelling at 08h00 on 15 August 2022 on completion of the buoy maintenance campaign.
