

FORTH PORTS LIMITED

NTM No 08 of 2023

17th April 2023

NOTICE TO MARINERS FIRTH OF TAY – PORT OF DUNDEE

Temporary Overhead Obstruction – Tidal Basin

Mariners are advised that a line has been spanned between two structures at the entrance to the Tidal Basin in Dundee. As a result, the air draught for any approach to the tidal basin is restricted to 17m. The remainder of the port is unaffected.

This Notice will be cancelled once the obstruction is removed.

Status of previously published notices:

Only this notice in force.
