Survey Operations

Mariners are advised that on the 27th November, ASPECT SURVEYS will be undertaking survey works around the tidal berths and dockyard entrance.

The surveys will be carried out using the vessel 'COASTAL SENSOR II' (6.5m orange SPORTIS RIB, c/w twin outboard engines) and will last for approx. 2 days.

During survey operations the vessel will display shapes and lights as required by the International Regulations and advise FTNS of all movements and will maintain a listening watch on VHF channel 71 and 16.

Further information is available from Aspect Survey Site Manager through their Head Office 01294 313 399.
