NOTICE TO MARINERS

FIRTH OF FORTH

Newhaven Cruise Pontoon and Light Removal

Mariners are advised that two outer sections of the Newhaven Cruise Pontoon have now been removed for maintenance prior to the commencement of cruise operations on or around 1st April 2024.

The remaining sections of the pontoon remain out of use for mooring for all vessels except with the permission of the Harbour Master as per Forth Byelaw 40.

With the removal of these sections the “Newhaven Cruise Pontoon Light” is now out of use until reinstatement prior to commencement of cruise operations.
