NTM No 01 of 2024

13th March 2024

NOTICE TO MARINERS FIRTH OF TAY

Large Vessel Movement - Firth of Tay

Mariners are advised that the jack-up drilling rig 'Valaris Stavanger' is due to depart the Port of Dundee and transit to sea on Thursday the 14th of March 2024.

The rig will begin its transit at approximately 15h30 local time and will take several hours to navigate up the river. The rig will be assisted by 4 harbour tugs, and one larger lead tug, the 'Atlantic Kestrel' on the bow.

The navigation channels will be closed for this planned movement to allow the safe navigation of the rig and its towing vessels. All other vessels are required to keep well clear (minimum 200 metres all round) and must not impede or endanger the planned passage as per General Direction No 14.

The rig move is weather dependant, and Dundee Harbour Radio can be contacted on VHF channel 12 for any updates.

This notice will self-cancel at 14/20h00.

Port of Dundee Notices in force:

28/2023 and 29/2023 remain in force.
