NOTICE TO MARINERS FIRTH OF FORTH

Survey Operations – Ironmill Bay to Blackness Bay

Mariners are advised that commencing on Tuesday 13th May for approximately four days, Ultrabeam Hydrographic will be undertaking bathymetric and geophysical survey works on the cross channel pipeline which runs from Ironmill Bay on the North Shore to Blackness Bay on the South Shore of the Forth Estuary, as per attached drawing.

The survey will be carried out using the RIB “Tracer 3” and will take place between the hours of 0600 and 1800.

During survey operations the vessel will display lights and shapes as required by International Regulations and advise FTNS of all movements, the operations will not be obstructive to passing traffic and will maintain a listening watch on VHF channels 71 and 16.

Further information is available from Ultrabeam Hydrographic Project Manager on 07583 919 661.
