## NOTICE TO MARINERS FIRTH OF FORTH

### Diving – Grangemouth Eastern Channel

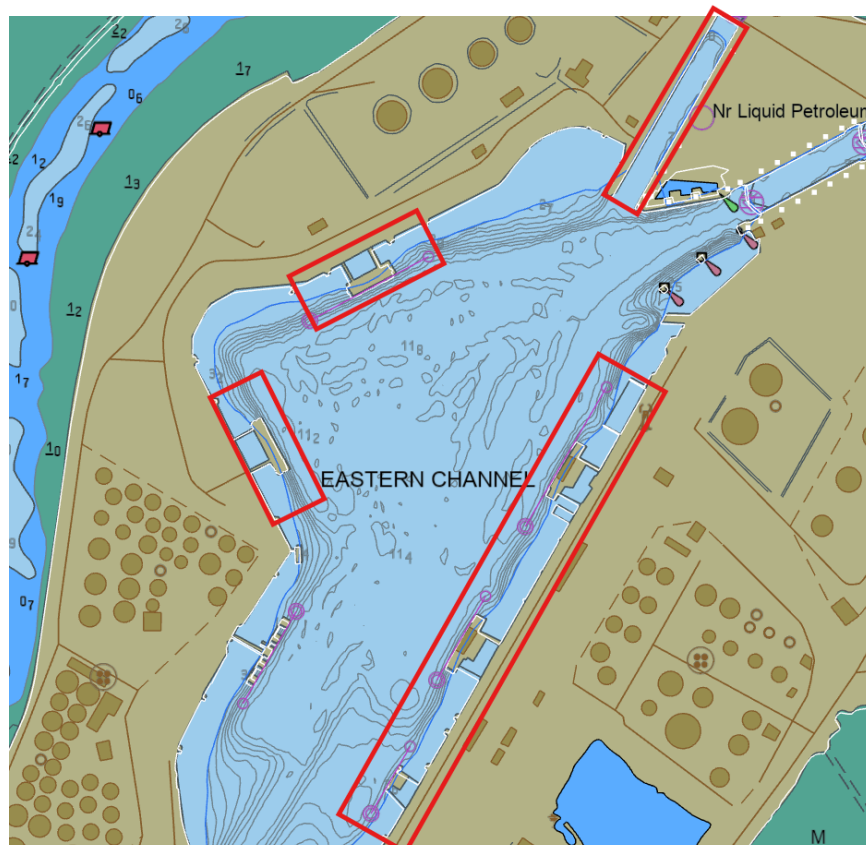

Mariners are advised that commencing on Monday 28<sup>th</sup> July for a period of around four weeks diving operations will be taking place in the Eastern Channel within Grangemouth Docks. The operations will include diving at the LPG berth, the East Jetties and the West Jetties.

There will be a 100 metre exclusion zone in place from the entrance of the LPG berth and from the face line of the East/West jetties for the respective dives. Divers will exit the water prior to shipping movements through the Eastern Channel or berthing and unberthing of vessels at the jetties.

The vessel “St Oswald” will be used to support the dive operations and will maintain a listening watch on VHF Ch 14 and 16. The “alpha” flag will be displayed during all dives.

FTNS will maintain contact with the dive team throughout the operations and will be kept informed when divers are in the water.

Dive locations are indicated on the below chart:
