

FORTH PORTS LIMITED

NtM No 125 of 2025

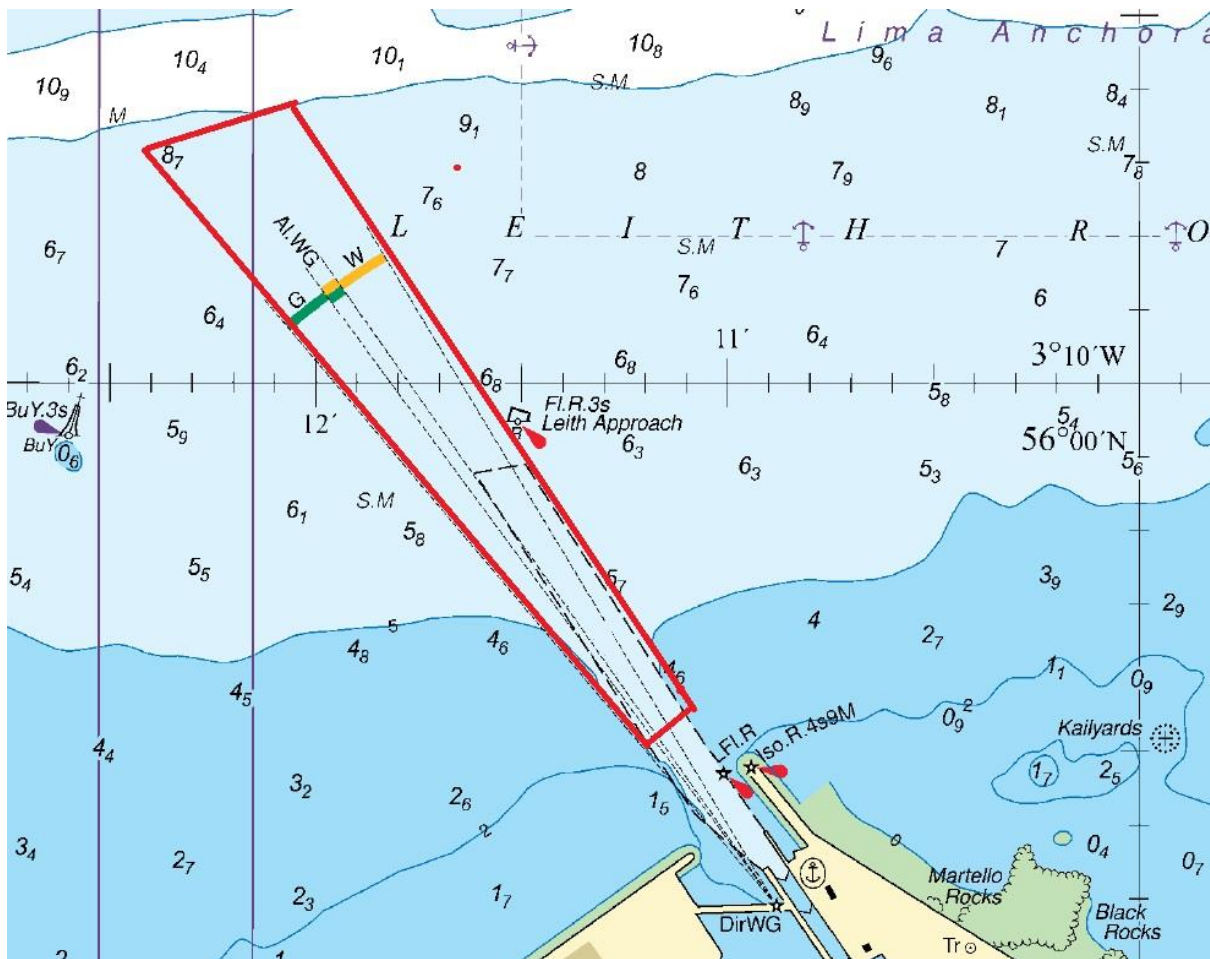

17th November 2025

NOTICE TO MARINERS

FIRTH OF FORTH

Leith Roads and Port of Leith Approaches Diving and UXO Detonation

Mariners are advised that commencing on Monday 17th November 2025, for a period up to 7 days, diving and UXO detonation shall take place in Leith Roads and the Port of Leith Approaches (within red boundary shown below)

The divers shall be supported by Multicat “Willsupply” and two orange RHIBs displaying signal flag “Alpha” at all times during diving operations. Mariners are directed to keep a minimum clearance of 500m from the involved vessels during diving operations, and 1000m when UXO detonations are taking place (support vessels will ensure the distance is maintained). All three vessels shall monitor VHF channels 71 and 16 at all times.

Forth & Tay Navigation Service will facilitate shipping movements to and from the Port of Leith during these operations.

Status of previously published notices:

Nos 19, 36, 48, 64, 70, 78, 87, 90, 98, and 115 of 2025 remain in force.
