## **NOTICE TO MARINERS**

### **FIRTH OF FORTH**

#### **Port of Rosyth – Fender Works – North Wall**

Mariners are advised that commencing on Tuesday 6<sup>th</sup> January 2026, for a period of around 1 month, fender repair and installation works will take place on the North Wall, Port of Rosyth.

These works will involve cranes rigged on the quayside and working over the water to facilitate the repair and replacement of fenders. A safety boat will be on station for the duration of the works.

The operations and engineering department in liaison with FTNS will plan all vessel operations around the works.

All passing vessels are requested to navigate with caution and be mindful of their wash when passing the work area.
