29th January 2026

NOTICE TO MARINERS

FIRTH OF TAY

Approaches to Dundee

Mariners are reminded of the cautions in force on chart 1481 and its electronic equivalent. Given the weather conditions over the recent past, special attention should be given to "Abertay and GAA Sands" and "The Bar, changing depths," which must be noted and acted upon when navigating the entrance to the Tay.

Passage planning should acknowledge these cautions and be executed as close to the centerline of the buoyed channel as practicable, without impeding the safe passage of deeper drafted vessels.

Status of previously published notices:

No notices in force
