NOTICE TO MARINERS

FIRTH OF FORTH

Crombie – Diving Operations

Mariners are advised that as part of seabed recovery works, diving operations will be taking place at Crombie Jetty commencing on Sunday 3rd May 2026.

The dive team shall advise FTNS of when divers enter and exit the water and there will be a 200m exclusion zone around the dive site in place for the duration of the operations. All vessels are requested to keep well clear and keep speed to a maximum of 10 knots when passing Crombie Jetty. During critical phases of the operations there will be a speed restriction of 8 knots which will be communicated directly to vessels through FTNS.

The workboat “Sandy M” (IMO 9640774) will be supporting the dive operations and will display all lights and shapes as required by International Regulations and maintain a listening watch on Channel 16 and 71.

This notice will be cancelled on completion of the works.
