12th May 2026

NOTICE TO MARINERS FIRTH OF FORTH

Barge Loading Operation - Methil Energy Park

Mariners are advised that on or around Wednesday 13th May a barge load out operation will be carried out at Methil Energy Park.

The Hebo barge along with two harbour tugs will be approaching Methil Energy Park around 0630. The barge along with one harbour tug will be alongside the quay at Methil Energy Park to carry out the barge load out operation.

Once load out is complete the barge along with two harbour tugs will transit from Methil Energy Park to Rosyth at approximately 1500.

During the load out operation a 100-meter exclusion zone will be in place, and any passing traffic must be carried out a slow speed to avoid any wake or wash in the area.

All fishing gear in the Methil Energy Park area must be clear, as to avoid any navigation hazard during this operation.

Status of previously published notices:

Nos 64 and 78 of 2025 remain in force
Nos 20,29, 30 and 32 of 2026 remain in force
