

Port of Tilbury London Police

Privacy Notice

Who We Are

Port of Tilbury London Police is responsible for policing the Port of Tilbury and ensuring the safety and security of its operations, staff, and visitors.

We carry out law enforcement activities under statutory powers and work alongside national police forces, government agencies, and port operators.

How We Use Your Information

We collect and process personal data to:

- Prevent and detect crime
 - Investigate incidents and offences
 - Maintain security within the port environment
 - Control access to restricted areas
 - Safeguard individuals
 - Support legal and regulatory obligations
-

The Information We Hold

This may include:

- Personal details (name, address, date of birth)
 - Vehicle and driver information
 - CCTV and ANPR images
 - Incident and intelligence reports
 - Employment or access control data
-

Where We Get Your Information

We obtain information from:

- You directly
 - Other police forces and law enforcement bodies
 - Government agencies (e.g. DVLA, DVSA)
 - The Motor Insurers' Bureau (MIB)
 - Port operators and partner organisations
 - Law Enforcement Data System (LEDS)
-

Sharing Your Information

We may share your information where necessary with:

- UK police forces and law enforcement agencies
- Government departments
- Courts and legal bodies
- Port and security partners

All sharing is carried out lawfully and securely.

CCTV and ANPR

CCTV and ANPR systems operate within the port to support:

- Crime prevention
- Public safety
- Traffic and access management

Clear signage is in place throughout the port.

How Long We Keep Your Data

We only keep your data for as long as necessary in line with:

- Legal obligations
 - National policing standards
 - Operational needs
-

Your Rights

You have rights over your personal data, including:

- Access to your data
- Correction of inaccurate information

- Requesting deletion or restriction (where applicable)

Some rights may be limited due to law enforcement requirements.
